By helping Partnership America Latina bring about change to the worst excesses of poverty in Latin America.

All projects directed by the Little Sisters of the Assumption

a special gift

By leaving a gift to Partnership America Latina (PAL) in your will, your legacy will live on through the work of The Little Sisters of the Assumption.

PAL is an organisation set up in 2007 to support projects directed by The Little Sisters amongst the poor of Latin America. Every PAL member works entirely without pay so that all money raised goes directly to the project.

The Little Sisters spend their entire lives working and living in environments of cruelty, hardship, violence, drugs and murder. They aim to bring hope and self worth along with sustainable jobs to these marginalised people.

To give one example, Sr. Franca spent 40 years changing the lives of the rag pickers in Brazil by creating an award winning recycling plant called Asproma giving 28 full time jobs.

you have choices

A Residuary Legacy

This is where you donate all, or part of, the residue of your estate, after all other bequests. That is after you have considered family, friends and when all debts, taxes and expenses have been discharged.

A Pecuniary Legacy

This is an amount you specify when your will or codicil is being drawn up.

A Specific Legacy

This refers to some item(s) of value you decide to donate. It can include such valuables as jewellery, household effects, stocks and shares or life assurance policies.

A Codicil

Should you have a will already in existence, you can have your solicitor add a codicil stipulating an addition to your will in favour of PAL.

Your donation to PAL is a legacy to a registered charity (CHY 6304) and is therefore exempt from tax.
